Tiki Trivia- Wednesdays at 5:15PM.

Grill 'N Chill- Thursdays 5:00-7:00PM. Bring something you would like grilled by Chef Fatz and we'll provide two sides complimentary for members and \$5 for non-members. Please be prepared to show your membership card at the door. *Please note this is not take-home grilling.*

Sea & Roadworthiness- It's time again for the annual vessel seaworthiness and trailer roadworthiness inspections! Vessels are required to move, under their own power, to the designated spot along A dock in view of the Marina manager or designated representative. Trailers with or without boats are required to be towed by a suitable vehicle to the south portion of the marina/golf parking lot under the same view. Please let the office know when you are ready to complete the inspection.

Dry Storage & D-Dock Members- In the first 6 months of 2024, we will be reaching out to a few members to have you relocate your boat and/or trailer due to size and location. This will cover those in dry storage with small trailers in 35' spots and those on D-Dock with boats under 31'.

AWARENESS

- Please be mindful of what is thrown away in the marina's outdoor trash and recycle dumpsters. Items such as tires, mattresses, appliances, and pallets are too bulky for our trash service to handle and should be kept to a minimum if/when possible.
- If your credit card has expired or been lost/stolen, please call our office so that we can make sure your file contains the most up to date card information.

POLICY

Options for our seasonal members: (1) we have transient slips that are available for a daily stay NTE two weeks. (2) established live-a-board policy and fees apply. Live-a-boards are NTE 2 per dock, no more than 12 total.

ATTENTION

At the entrance to our channel, the depth is starting to narrow. Please stay in the center at least 21ft from the north side, between the red and white buoys, for the deepest waters (5-7ft). We are anticipating a project which will dredge the channel, we will keep you updated as we know more.
