

DEPARTMENT OF THE AIR FORCE  
45TH SPACE WING (AFSPC)

JAN 26 2009

MEMORANDUM FOR DISTRIBUTION A, B, C & D

FROM: 45 SW/CC

SUBJECT: 2009 Commander's Cup Program

1. As there is a direct connection between fitness and successful accomplishment of our mission, it is essential our troops are participating in fitness activities that will facilitate warfighting capability. With this in mind, I am pleased to announce the 2009 Patrick Air Force Base Commander's Cup Program. The objective of this program is to increase mission readiness and fitness, enhance unit pride and esprit de corps and recognize competitive excellence.
2. The 2009 Commander's Cup will run from 9 Jan - 31 Dec 09. The program is open to all 45th Space Wing units and our mission partners at Patrick Air Force Base and Cape Canaveral Air Force Station. Please see the *2009 Commander's Cup Program Guide* on the Sports and Fitness Center web page at [www.GoPatrickFL.com](http://www.GoPatrickFL.com).
3. The presentation of the Commander's Cup to the winning unit will occur at the Annual Sports Award Banquet in January 2010 at The Tides Club. At this time, recognition and/or awards will also be given to the intramural leagues, base champions, runners up and the male and female Patrick AFB athletes of the year.
4. I encourage each 45th Space Wing and mission partner unit and their commanders to maximize program participation with eyes on target to take home the trophy and surpass mission readiness goals. The POC for this program, Mr. Rafael (Chez) Sanchez, Sports Manager, can be reached at 494-3187 or by e-mail to [Rafael.Sanchez@patrick.af.mil](mailto:Rafael.Sanchez@patrick.af.mil).

A handwritten signature in black ink, appearing to read "E. Bolton, Jr.", is positioned above the typed name.

EDWARD L. BOLTON, JR.  
Brigadier General, USAF  
Commander
